ASTM International Membership Benefits/Fees

PARTICIPATING MEMBERSHIP:

You choose to join ASTM technical committees, actively developing new standards and revising existing ones. Through direct participation in the ASTM standards-writing process, participating members are personally involved in the development of standards that are on the cutting edge of new trends and technology. Participating members receive one free volume of the *Annual Book of ASTM Standards* (print, CD, or online).

ORGANIZATIONAL MEMBERSHIP:

Your company supports the ASTM voluntary consensus process through the designation of a representative that can participate on ASTM technical committees. You will receive one free volume of the *Annual Book of ASTM Standards* (print, CD, or online). Your organization understands the value of ASTM and what it contributes to industry and to the world through voluntary consensus standards by choosing to provide added funding to the Society. Please indicate a Representative on the reverse side.
