Title of My Abstract for ASTM Scaffolds Workshop

Author Name[1], Author Name[2], Author Name[1]

[1]National Institute of Standards & Technology, Biosystems & Biomaterials Division, Gaithersburg, MD, USA
[2]Food & Drug Administration, Center for Devices & Radiological Health, White Oak, MD, USA

These are directions for the abstract. You can use this document as a template. Everything must fit on one page. Please write at least one paragraph. Please include author affiliations. Margins should be 0.8 inch on all sides. Font should be Arial or Times New Roman. All fonts should be 10 pt or larger. You can include figures or tables. You can include color, though it will only be visible in the electronic version (printed booklets will be in black and white). If one of the authors is a speaker, then please underline that person's name. We prefer that all abstracts be submitted as a pdf document, but we may also accept MSword (.doc or .docx). You can make the text into columns if you prefer (no more than 2 columns).

This is the text of the abstract.[1] This is the text of the abstract.[2] This is the text of the abstract.

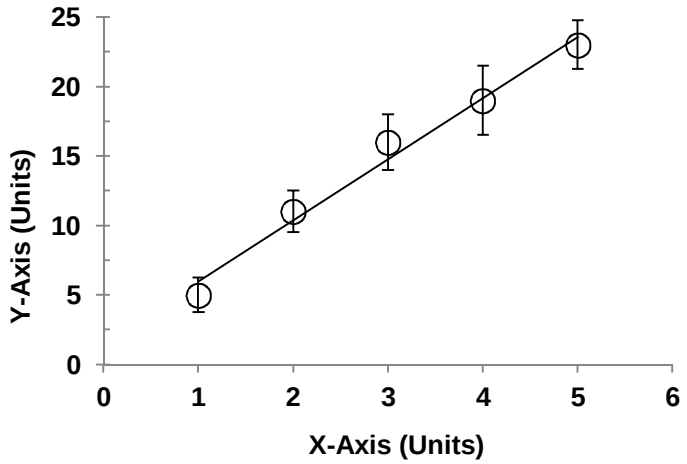

Fig. 1. This is a sample caption for a sample plot.
Axes have units. Error bars are standard deviation.
