

The Quick & Easy Reference Directory

Searchers can search by Subject Area, Consultant Name, or Geographical Location. Or they can use the powerful full-text keyword search. Searchers can find consultants quickly and easily. Website and e-mail addresses are activated for immediate contact. Give it a try at: <http://www.astm.org/consultants>

Loaded with easy-to-use features — perfect for internet searchers!

ASTM International's *Directory of Scientific & Technical Consultants and Expert Witnesses* is a full-text, searchable directory on ASTM's website. There are no charges, no passwords, no registration, and no hassles. Hotlinks direct searchers to your website or e-mail.

Enhance your listing with these options:

- Sponsored listing puts your company in the top portion of the search.
- Adding a 10-page PDF file of your company brochure will give you more exposure.
- An additional fee of \$75 applies for each option.
