Foreword

The symposium on Oil Field Subsurface Injection of Water was presented at a meeting held in Fort Lauderdale, Fla., 17-18 January 1977. The symposium was sponsored by the American Society for Testing and Materials through its Committee D-19 on Water. C. C. Wright, Arabian American Oil Company, Dennis Cross, Aramco Services Company, A. G. Ostroff, Mobil Research and Development Corp., and J. R. Stanford, Nalco Chemical Company, presided as symposium cochairmen and coeditors of this publication.

A Note of Appreciation to Reviewers

This publication is made possible by the authors and, also, the unheralded efforts of the reviewers. This body of technical experts whose dedication, sacrifice of time and effort, and collective wisdom in reviewing the papers must be acknowledged. The quality level of ASTM publications is a direct function of their respected opinions. On behalf of ASTM we acknowledge with appreciation their contribution.
