## Foreword

The second symposium on Aquatic Toxicology was held in Cleveland, Ohio, on 31 Oct.-1 Nov. 1977. This symposium was sponsored by the American Society for Testing and Materials through its Committee E-35 on Pesticides. L. L. Marking, U.S. Fish and Wildlife Service, and R. A. Kimerle, Monsanto Co., presided as chairmen of the symposium and served as editors of this publication.

## A Note of Appreciation to Reviewers

This publication is made possible by the authors and, also, the unheralded efforts of the reviewers. This body of technical experts whose dedication, sacrifice of time and effort, and collective wisdom in reviewing the papers must be acknowledged. The quality level of ASTM publications is a direct function of their respected opinions. On behalf of ASTM we acknowledge with appreciation their contribution.
