Foreword

This publication, *Quality Assurance in Pavement Construction*, contains papers presented at the symposium on Quality Assurance—Who, What, How?, which was held in Bal Harbour, Fla., 6 Dec. 1978. The symposium was sponsored by Committee D-4 on Road and Paving Materials, of the American Society for Testing and Materials. G. J. Allen, Arizona Department of Transportation, served as chairman of the symposium.

fications, STP 532 (1973), 04-532000-08

A Note of Appreciation to Reviewers

This publication is made possible by the authors and, also, the unheralded efforts of the reviewers. This body of technical experts whose dedication, sacrifice of time and effort, and collective wisdom in reviewing the papers must be acknowledged. The quality level of ASTM publications is a direct function of their respected opinions. On behalf of ASTM we acknowledge with appreciation their contribution.
