## Foreword

The papers in this publication, *Water for Subsurface Injection*, were presented at the Second Symposium for Subsurface Injection held at Ft. Lauderdale, Florida, 28 and 29 January 1980. The symposium was sponsored by the American Society for Testing and Materials through its Committee D-19 on Water and Subcommittee D19.32 on Water for Subsurface Injection. J. L. Johnson, Aramco Services Company, J. R. Stanford, Nalco Chemical Company, C. C. Wright, Arabian American Oil Company, and A. G. Ostroff, Mobil Research and Development Corporation, are coeditors of this publication.

## A Note of Appreciation to Reviewers

This publication is made possible by the authors and, also, the unheralded efforts of the reviewers. This body of technical experts whose dedication, sacrifice of time and effort, and collective wisdom in reviewing the papers must be acknowledged. The quality level of ASTM publications is a direct function of their respected opinions. On behalf of ASTM we acknowledge with appreciation their contribution.
