Foreword

The symposium on **Joining of Composite Materials** was held in Minneapolis, Minnesota, 16 April 1980. ASTM Committee D-30 on **High Modulus Fibers and Their Composites** sponsored the symposium. K. T. Kedward, **Materials Sciences Corp.**, presided as chairman of the symposium and edited this publication.

A Note of Appreciation to Reviewers

This publication is made possible by the authors and, also, the unheralded efforts of the reviewers. This body of technical experts whose dedication, sacrifice of time and effort, and collective wisdom in reviewing the papers must be acknowledged. The quality level of ASTM publications is a direct function of their respected opinions. On behalf of ASTM we acknowledge with appreciation their contribution.
