Foreword

This publication, *Permanence of Organic Coatings*, contains papers presented at the symposium on Regimens for Predicting Permanence of Decorative and Protective Surfaces, which was held 21 Jan. 1981 in Orlando, Fla. The symposium was sponsored by ASTM Committee D-1 on Paint and Related Coatings and Materials and ASTM Committee G-3 on Durability of Nonmetallic Materials. G. G. Schurr, of the Sherwin-Williams Co., presided as symposium chairman.

A Note of Appreciation to Reviewers

This publication is made possible by the authors and, also, the unheralded efforts of the reviewers. This body of technical experts whose dedication, sacrifice of time and effort, and collective wisdom in reviewing the papers must be acknowledged. The quality level of ASTM publications is a direct function of their respected opinions. On behalf of ASTM we acknowledge with appreciation their contribution.
