 - Manuals
- Individual or Institutional Subscription Options Available

ASTM Металлы Sector Products

■ Passport to Steel – online

- The most up-to-date and technically accurate steels database
- Steel Data on 80,000+ steels and 15,000 coated steels (only one in the marketplace!)
- Comparable steel standards from 11 other SDO's (ASME, API, and International Organizations)
 - Over 1,700 GB steels
- Powerful “simple” search engine – find your steel needs in seconds
 - Specification status and 30,000 comparable steel cross references

■ Handbook of Comparative World Steel Standards

ASTM Металлы Sector Products

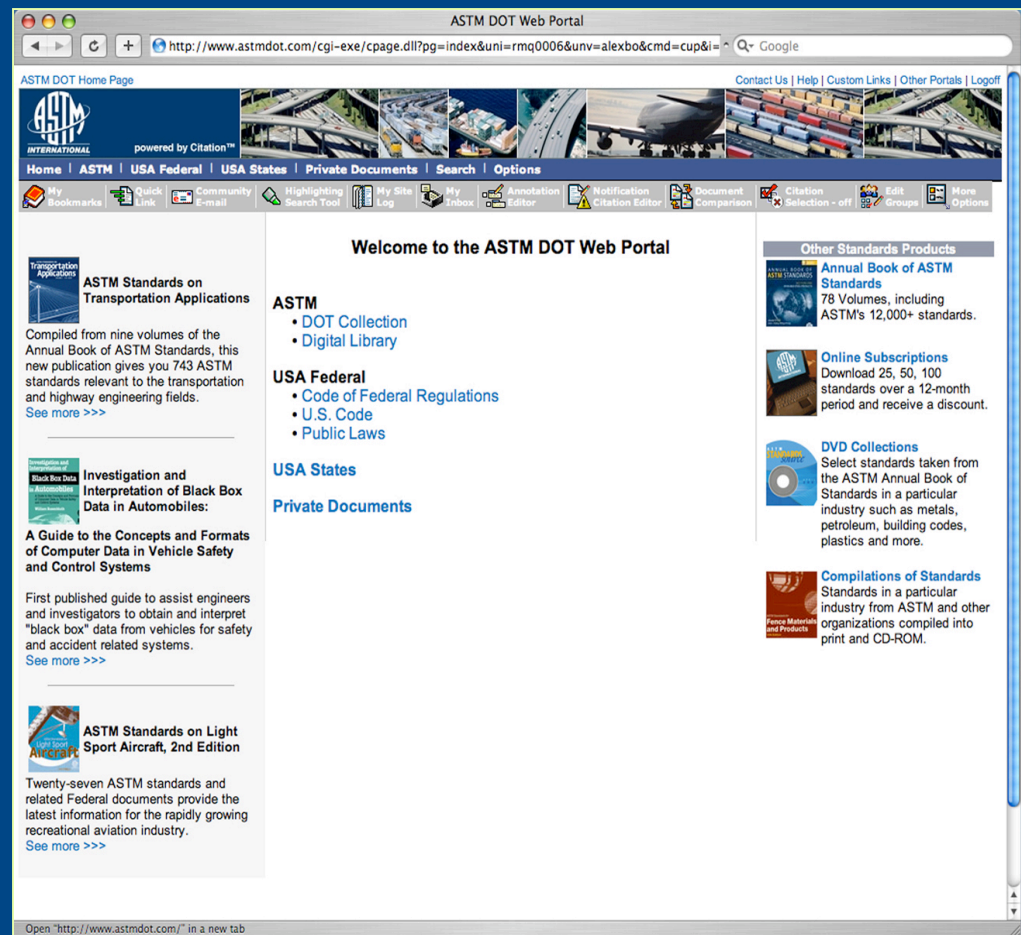

- Symposia & Workshops – sponsored by technical committees
 - Workshop on Current Trends in Sheet Steel Specs
 - November 2008 Committee Week – Miami Florida
 - Bearing Steel Technologies
 - May 2009 Committee Week – Vancouver, British Columbia
- Trainings
 - Selection, Specification and Application of Stainless Steels
 - On-Site Training Available
 - Groups of 12 or more, tailored to meet specific organization goals

ASTM Металлы Sector Products

- Proficiency Testing Programs – Statistical quality assurance (SQA) tool for Laboratories
 - Enables labs to compare, improve and maintain performance
 - Programs offered by ASTM:
 - Steel: Mechanical Properties Testing
 - Plain Carbon and Low-Alloy Steel
 - Stainless Steel (Chemical Analysis)
 - Aluminum (Chemical Analysis)
 - Determination of Gold Bullion by Cupellation
 - Environmental Testing of Ores & Metals

ASTM Металлы Sector Products – Custom Portals

- Turn Key Business Model
- ASTM Standards, Test Methods and Specs
- Full text regulations, code, etc. (national & international)
- Search by document or text
- Customizable home page
 - use panes to advertise/ market

The screenshot shows the ASTM DOT Web Portal interface. The browser address bar displays the URL: <http://www.astmdot.com/cgi-exe/cpage.dll?pg=index&uni=rmq0006&unv=alexbo&cmd=cup&i=>. The page features a navigation menu with links for Home, ASTM, USA Federal, USA States, Private Documents, Search, and Options. A central banner reads "Welcome to the ASTM DOT Web Portal". Below this, there are three main sections:

- ASTM Standards on Transportation Applications:** Compiled from nine volumes of the Annual Book of ASTM Standards, this new publication gives you 743 ASTM standards relevant to the transportation and highway engineering fields. [See more >>>](#)
- Investigation and Interpretation of Black Box Data in Automobiles:** A Guide to the Concepts and Formats of Computer Data in Vehicle Safety and Control Systems. First published guide to assist engineers and investigators to obtain and interpret "black box" data from vehicles for safety and accident related systems. [See more >>>](#)
- ASTM Standards on Light Sport Aircraft, 2nd Edition:** Twenty-seven ASTM standards and related Federal documents provide the latest information for the rapidly growing recreational aviation industry. [See more >>>](#)

On the right side, there are sections for "Other Standards Products":

- Annual Book of ASTM Standards:** 78 Volumes, including ASTM's 12,000+ standards.
- Online Subscriptions:** Download 25, 50, 100 standards over a 12-month period and receive a discount.
- DVD Collections:** Select standards taken from the ASTM Annual Book of Standards in a particular industry such as metals, petroleum, building codes, plastics and more.
- Compilations of Standards:** Standards in a particular industry from ASTM and other organizations compiled into print and CD-ROM.
