D02 Committee Funds from Bi-Annual Meeting Activity Fee Contributions

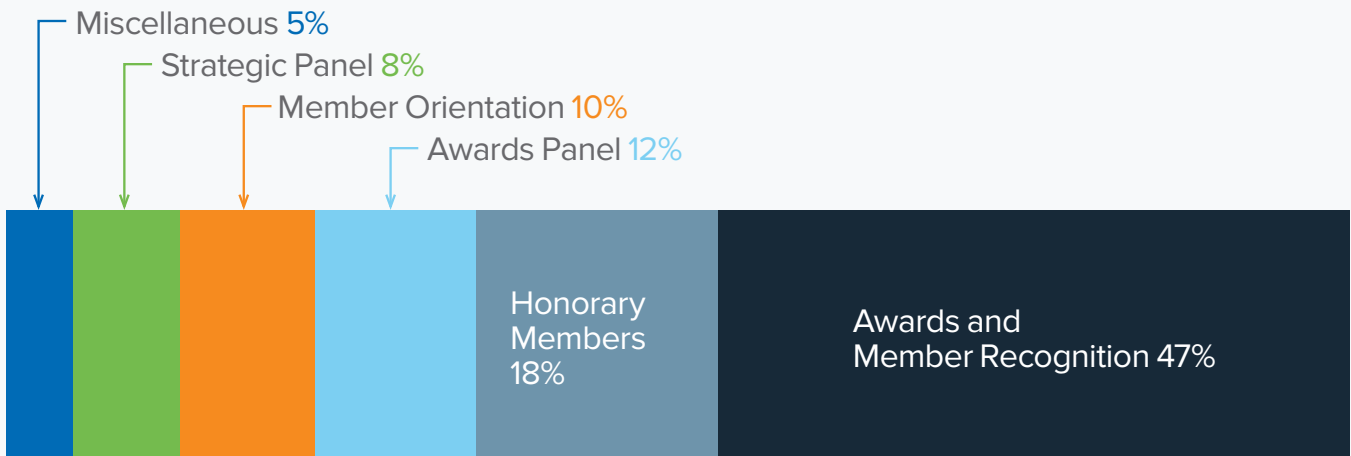

www.astm.org/D02

D02 Committee Fund “Activity Fee” is \$20.00 per meeting and is a completely voluntary contribution!

This contribution from individual members is extremely important to the overall well-being of Committee D02. The fund supports the committee administrative functions that happen throughout the year that are not covered by ASTM or other contributions.

Nearly half of all monies raised are used to support the D02 Awards and Member Recognition program!

D02 Committee Funds

You can contribute to the D02 Activity Fee during your online meeting registration process or during registration onsite at the meetings.

Ask ASTM registration staff to assist you in contributing to this important fund!

You will be recognized as a contributor on your meeting badge.
