

STP Number	Committee E37 STP Titles	Publication Date
838	Purity Determination by Thermal Means	July 1984
997	Compositional Analysis of Thermogravimetry	October 1988
1136	Material Characteristics by Thermal Mechanical Analysis	September 1991
1249	Assignment of Glass Transition	September 1994
1326	Oxidative Properties by Thermoanalytical Techniques	October 1997
1402	Material Characterization by Dynamic and Modulated Thermal Analytical Techniques	June 2001
1466	Modulated Techniques in Thermal Analysis; Hyphenated Techniques	April 2007
