Foreword

The Symposium on Recycling of Bituminous Pavements was held during December Committee Week of the American Society for Testing and Materials, St. Louis, Mo., 4-9 December 1977. ASTM Committee D-4 on Road and Paving Materials sponsored the symposium. L. E. Wood, Purdue University, served as symposium chairman and editor of this publication.

A Note of Appreciation to Reviewers

This publication is made possible by the authors and, also, the unheralded efforts of the reviewers. This body of technical experts whose dedication, sacrifice of time and effort, and collective wisdom in reviewing the papers must be acknowledged. The quality level of ASTM publications is a direct function of their respected opinions. On behalf of ASTM we acknowledge their contribution with appreciation.
