Foreword

The Second Symposium on Corrosion and Degradation of Implant Materials was held in Louisville, Kentucky, 9–10 May 1983. The symposium was sponsored by ASTM Committees F-4 on Medical and Surgical Materials and Devices and G-1 on Corrosion of Metals. Anna C. Fraker, National Bureau of Standards, and Charles D. Griffin, Carbomedics, Inc., presided as symposium chairmen and editors of this publication.

A Note of Appreciation
to Reviewers

The quality of the papers that appear in this publication reflects not only the obvious efforts of the authors but also the unheralded, though essential, work of the reviewers. On behalf of ASTM we acknowledge with appreciation their dedication to high professional standards and their sacrifice of time and effort.
