- † Canadian Prospective Members Please add 7% GST Registration Number R129162244

MEMBERSHIP

- Membership year is January 1 to December 31. Fees are payable in advance and are not prorated. Membership will become effective upon payment of fees.
- Organizations applying for membership should select one official representative qualified to exercise the rights and privileges of membership. This includes voting on Society Ballot, and if appropriate, on technical committee matters.
- Only the official representative may participate on committees under the organizational membership. All others
 must maintain individual memberships in order to participate on committees.
- The official representative for the organizational membership may be changed as needed by notifying ASTM
 Headquarters. Committee participation is not transferable: An application will have to be submitted by the new
 representative for the appropriate committees. A member not officially serving on ASTM committees may not vote
 in committee matters.
- For members serving on technical committees, each organization may ask that the membership be transferred
 without payment of additional fees, if the fees were paid by the company. However, no additional free volume of
 the Book of ASTM Standards will be allowed. Committee participation is not transferable. An application will have
 to be submitted by the new member of the appropriate committee.

PUBLICATIONS

Shipping and handling costs will not be charged for prepaid orders shipped to the U.S. and Canada.

NOTE: Membership benefits and publication prices are subject to change.
