

CALENDAR ON COMPOSITES

September 10-14, 1979

Composite Materials Technology: Fatigue and Fracture, Fabrication and Applications, and Analysis

Atlanta, GA

Contact: Program Division

Technomic Publishing Company, Inc.

265 Post Road West

Westport, CT 06880 (203-226-7203)

September 11-14, 1979

International Forum; Composites, Assemblage, and Adhesion

Lyon, France

Contact: Pro Molyon

Palais Des Congres

Quai Achille Lignon

69459 Lyon, France, CE DE X3

October 1-5, 1979

Design, Fabrication, and Mechanics of Composite Materials

Lake Maggiore, Italy

Contact: Program Division

Technomic Publishing Company, Inc.

265 Post Road West

Westport, CT 06880 (203-226-7203)

October 2-4, 1979

ASTM D-30 Meeting and Specialty Conference: Test Methods and Design Allowables for Fibrous Composites

Dearborn, MI

Contact: D. A. Tobias

c/o ASTM, 1916 Race Street

Philadelphia, PA 19103 (215-299-5546)

October 23-25, 1979

11th National SAMPE Technical Conference

Boston, MA

Contact: Marge Smith

Azusa, CA 91702 (213-334-1810)

December 2-7, 1979

ASME Winter Annual Meeting

New York City, NY

Contact: Prof. Jack Vinson

Department of Mechanical and Aerospace

Engineering, Room 107, Evans Hall

University of Delaware

Newark, DE 19711 (302-738-2421)

December 4-6, 1979

Special Topics on Advanced Composites

El Segundo, CA

Contact: Bill Bandaruk

Technology Conferences, P.O. Box 842

El Segundo, CA 90245 (714-545-3610)

January 21-25, 1980

Gordon Research Conference: Deformation and Failure Mechanisms in Composites

Santa Barbara, CA

Contact: Dr. A. M. Cruickshank

University of Rhode Island

Kingston, RI 02881 (401-783-4011, ext. 3372)

February 4-8, 1980

35th Annual Reinforced Plastics/Composites Institute Conference

New Orleans, LA

Contact: PR/C Conference Management

The Society of the Plastics Industry, Inc.

355 Lexington Avenue

New York City, NY 10017 (212-573-9400)

February 24-28, 1980

109th AIME Annual Meeting: Failure Modes in Composites V

Las Vegas, NV

Contact: Dr. A. P. Levitt

AMMRC, Watertown, MA 02172

(617-923-3337)

February 25-29, 1980

Composite Materials Computation Workshop

Berkeley, CA

Contact: Helen Barry or Linda Reid

University of California

Berkeley, CA 94720 (415-642-4151)

May 6-8, 1980

25th National SAMPE Symposium and Exhibition

San Diego, CA
