- Only the official representative may participate on committees under the organizational membership. All others must maintain individual memberships in order to participate on committees.
- The official representative for the organizational membership may be changed as needed by notifying ASTM Headquarters. Committee participation is not transferable. An application will have to be submitted by the new representative to the appropriate committees. A member not officially serving on ASTM committees may not vote in committee matters.
- For members serving on technical committees, their organizations may ask for this membership to be transferred without payment of additional fees, if the fees were paid by the company. However, no additional free volume of the Book of ASTM Standards will be allowed. Committee participation is not transferable. An application will have to be submitted by the new member to the appropriate committee.
