

ASTM In-Person Event COVID Guidelines

Upon Entering Meeting Room

- Must wear a face covering
- Wash/sanitize hands
- Sanitize touch screen with approved electronic wipe if at ASTM Headquarters
- Clean hard surfaces, speakerphone, remote and keyboard if setup in room with sanitizing wipes

Sanitizing Stations at ASTM International provide:

- Hand sanitizer
- Approved wipes for electronics
- Wipes for hard surfaces

Sanitizing Stations are available inside the following rooms at ASTM International:

- Room 400 (Board Room)
- Room 401
- Room 402
- Room 403
- 2nd Floor Conference Room
- 2nd Floor Marketing Conference Room

Food and Beverage

- Buffets will not be offered until further notice at ASTM International
- Catering will be provided with pre-packaged meals only if offered during the event

Vaccination Status

Effective September 7th, anyone (including staff, contract personnel, vendors, members, customers, and other visitors) working or attending meetings within the ASTM Headquarters building will have to be fully vaccinated. "Fully vaccinated" means two weeks have passed since you received a single-shot COVID-19 vaccine, or the second dose of a two-shot COVID-19 vaccine authorized by the U.S. Food and Drug Administration.

ASTM has specific social distancing requirements for each of its conference rooms

Events held outside of ASTM International Headquarters will follow the guidelines set forth by the location
