Submit Minutes & Agendas		
Minutes and agendas are posted by staff to the website typically within 24 to 48 hours. File types accepted are Microsoft Word, Adobe PDF, or ZIP file (if you have more than 1 Word or PDF file). If you have an alternative file type, send it directly to your Staff Manager or Administrative Assistant.		
Task Group minutes and agendas should be included within the subcommittee minutes and agendas. For instructions on composing minutes and agendas, see The ASTM Technical Committee Officer Handbook.		
Note: Subcommittee chairs can use "Create MyAgenda" located in MyCommittees under MyTools to prepare their agenda. This tool will automatically populate information such as ballot results, standards and work item status. Administrative Deadline Dates indicating deadlines for submission of minutes and agendas may be found in MyCommittees under Committee Documents. For additional assistance, contact your Staff Manager or Administrative Assistant.		
★ Select the Main Committee or Subcommittee:		
Please select a Committee \$		
★ Select the document type that you are uploading:		
★ To submit your minutes or agenda to ASTM, first use the button below to locate the file on your PC or network and then click the Submit button.		
Choose file Browse		
Upon the successful submission of your file, you will receive a confirmation, acknowledging your submittal. Please print/save a copy of this confirmation for your records.		
For questions regarding your minutes or agenda submittal, contact your staff manager. For technical support, contact support@astm.org.

Create Agenda

A subcommittee meeting agenda should be prepared and posted to the "MyASTM" website in advance of an ASTM meeting. This enables the subcommittee members to attend the meeting prepared to make decisions on specific actions. In addition, an agenda creates a specific interest in attending the meeting.

ASTM International recognizes that understanding the consensus process is crucial for members who wish to participate in the development of technical standards. Below you will find a variety of materials that were developed to assist members. In addition, ASTM also offers trainings via the WebEx tool and encourages members to take advantage of whatever trainings/materials they need to effectively participate in their committee work. For specific questions related to your committee please contact your staff manager. For questions about the online trainings please contact Kristy Straiton.
