Peer Review Policy

Each paper published in this volume was evaluated by three peer reviewers. The authors addressed all of the reviewers' comments to the satisfaction of both the technical editor(s) and the ASTM Committee on Publications.

The quality of the papers in this publication reflects not only the obvious efforts of the authors and the technical editor(s), but also the work of these peer reviewers. The ASTM Committee on Publications acknowledges with appreciation their dedication and contribution of time and effort on behalf of ASTM.

Foreword

The symposium on Service Life of Rehabilitated Buildings and Other Structures was presented at Cincinnati, OH, on 27 April 1987. The ASTM Committee E-6 on Performance of Building Constructions, the Association of Preservation Technology, the National Institute of Standards and Technology, and the National Park Service sponsored the symposium. David G. Battle, National Park Service, Philip C. Marshall, Southeastern Massachusetts University, and Wayne Ellis, Consultant, served as co-chairmen of the symposium. Stephen J. Kelley, Wiss, Janney, Elstner Associates, Inc., and Philip C. Marshall are editors of the resulting publication.
