The symposium was sponsored by ASTM Committee E-3 on Chemical Analysis of Metals through Division G of this committee, H. F. Beeghly, chairman.

The Symposium Committee consisted of M. D. Cooper, H. Freiser and W. W. Meinke, University of Michigan, Chairman, who presided as Chairman of the Session at the Annual Meeting.

One of the papers in this symposium by A. H. Bushey and Barbara A. Thompson on "Application of the (n, α) Reaction" did not materialize and is published in abstract form only.
