Peer Review Policy

Each paper published in this volume was evaluated by three peer reviewers. The authors addressed all of the reviewers' comments to the satisfaction of both the technical editor(s) and the ASTM Committee on Publications.

The quality of the papers in this publication reflects not only the obvious efforts of the authors and the technical editor(s), but also the work of these peer reviewers. The ASTM Committee on Publications acknowledges with appreciation their dedication and contribution of time and effort on behalf of ASTM.

Foreword

This publication, *Building Deck Waterproofing*, contains papers presented at the symposium of the same name held in Fort Lauderdale, Florida on 1 Feb. 1989. The symposium was sponsored by ASTM Committee C-24 on Building Seals and Sealants. Laura E. Gish, Carlisle SynTec Systems, presided as symposium chairperson and was editor of this publication.
