FOREWORD

This Symposium, the third of a series of Symposia on Insulating Oil, sponsored by Subcommittee IV on Liquid Insulation of A.S.T.M. Committee D-9 on Electrical Insulating Materials, was presented at a Meeting of Committee D-9 which was held in Washington, D. C. on March 23, 1949.

The two previous symposia were published in ASTM BULLETINS No. 146, May, 1947, pages 90 to 100, and No. 149, December, 1947, pages 58 to 94. Both of these previous symposia are also available in separate pamphlet form.

NOTE.—The Society is not responsible, as a body, for the statements
and opinions advanced in this publication.
