

Let ASTM Compass® Be Your Guide

COMPLETE ACCESS FOR ALL USERS

Unlimited, simultaneous users can view ASTM's 12,900+ standards, videos of standards, 1,800+ books, 60,000+ articles and papers, plus content from AASHTO, AATCC, ACI, API, AWS, BSI, CGA, IES, MOD, UOP, and others.

NAVIGATE IN YOUR OWN LANGUAGE

Search in 14+ languages, including Arabic, Chinese, French, Russian, and Spanish.

ALERTS AND UPDATES KEEP YOU UP TO DATE

Get the most up-to-date materials and stay on top of crucial industry changes with instant alerts.

EASILY IDENTIFY CHANGES TO STANDARDS

Boost productivity and improve how you use standards with change management tools like color-coded highlighting and bookmarking.

CREATE COMPASS POINTS

Enhance communication by creating Compass Points and incorporating them into your Engineering Systems to track important components of standards. Share Compass Points with coworkers, vendors or other stakeholders with a Compass subscription.

ADVANCE YOUR CAREER WITH EXPERT TRAINING

Improve and measure performance with live and eLearning courses for metals, petroleum, building construction, the environment, textiles, plastics, and rubber.
